**Workbooks and T-shirts** are included  
*Meals are not included*

### ***What The Students Say...***

"Your program is the most valuable thing that a teenager could experience. It is truly the greatest thing I have encountered. My only regret is that I am now a senior in high school; therefore I will not be returning in years to come. I hope that one day I will be able to thank you in person, but until then...thank you so much. YOU ARE MAGIC!"
