PMEA District 1 Elementary Sing Fest

An all-day festival for Fifth and Sixth grade students
and their PMEA Member Teachers

Friday, March 15, 2019
Quaker Valley Middle School
Quaker Valley School District – Sewickley PA

Festival Host: Erik Kolodziej
(ph.) 412-749-3608 (email) kolodziej@qvsd.org

For the Student

- To provide an experience for the student who is a “cut-above” to come together with those students who are of a similar caliber
- To provide students with a musical challenge through performance

For the Teacher

- To provide a professional development opportunity by observing outstanding clinicians working with their student(s)
- To confer with their peers
- To meet as a PMEA Membership and stay in touch with the organization

Sing Fest will include sessions for your students in vocal techniques and choral singing. We are elated and honored to welcome Dr. Michael Chandler from Austin Peay State University in Clarksville, Tennessee as our guest conductor. This festival will also include sessions led by General Music clinicians. You will attend these sessions and observe the Sing Fest students being taught using some of the finest and latest teaching and conducting!

Approximately one hundred twenty (120) fifth and sixth grade students will be selected for the festival. It is the responsibility of the participating teachers to thoroughly prepare students on the Sing Fest music and to attend the entire festival (sessions and concert). After the student selections are made you will receive music and further information on festival fees.
